Join the Best Speakers at the ECA Academy with Full Cost Coverage!

Dear Colleagues,

We would like to invite you to become a speaker of the ECA Academy.

Even today, more than 200 experts from authorities (FDA, EMA, EDQM, national EU inspectorates) as well as representatives from the pharmaceutical, API and biotech industries regularly give lectures for the ECA Academy.

Your benefit:

- You are part of a selected team of speakers.
- You get to know the opinion makers from authorities (FDA, EMEA, etc.) and industry.
- Discuss your compliance approach with colleagues from 45 countries!

The difference!

- You are reimbursed for all costs
- Flight/train
- Taxi
- Hotel etc.

As a speaker, you are our guest for the full duration of your stay – from the traditional speakers' dinner to the Social Event!

Qualify as an ECA Academy speaker. We invite you to send us:

- Your CV (references should also be provided)
- Suggestions **for lectures/case studies you would like to present**

To become an ECA speaker, a very good knowledge of the English language is a prerequisite. Please send us your proposals to info@gmp-compliance.org.

We are looking forward to receiving your proposal and welcoming you in our team of speakers.

Best regards,

Richard Bonner
Vice Chairman, European Compliance Academy (ECA)

P.S. All speakers receive an ECA Speakers Certificate indicating that you have been selected to give lectures for the Academy!
