

PHARMA
CONGRESS
Production & Technology

31 May/1 June 2022 | Düsseldorf/Neuss

Conferences

- / Facility & Technology Projects
- / GMP Compliance Trends
- / Aseptic Technology
- / Cost Efficiency

Register by
January 31, 2022
and save up to
€ 200,-

Case Studies from Pharmaceutical Industry. Among others from:

Boehringer Ingelheim, Novartis, Roche, Merck, Takeda, Vetter Pharma-Fertigung, NovoNordisk and many more

Image: Merck

Overview

Benefit from your colleagues' experience and from the direct information exchange at the Pharma Congress 2022 again. The guiding theme from 31 May - 1 June 2022 will once more be „users report for users“. And as before, speakers will report about the challenges in their everyday business and about possible solution approaches.

The Conferences

Conference	31 May	1 June
▪ Facility & Technology Projects	✓	✓
▪ GMP Compliance Trends	✓	✓
▪ Aseptic Technology	✓	
▪ Cost Efficiency		✓
Exhibition PharmaTechnica	✓	✓

Exhibition

Parallel to the conferences there will be the exhibition PharmaTechnica. Take advantage of this opportunity to get to know new technologies, products and services at the stands of the exhibitors.

Fees

Early Bird until 31 January 2022: € 590,- for the one day ticket plus VAT, from 1 February 2022 € 690,- plus VAT. These one day tickets allow you to follow any conference offered that day (you can also switch between the conferences any time). They include a lunch and beverages during the conferences and in breaks as well as the social event on the evening of the first congress day. Charges are payable after receipt of invoice. Please note that due to the special fees for the congress, ECA membership discounts are not applicable.

Location

Crowne Plaza Congress Centrum Düsseldorf / Neuss
Rheinallee 1
41460 Neuss
Tel.: +49 (0) 2131 77 - 00
Fax: +49 (0) 2131 77 - 1367
emailus@cphotelduesseldorfneuss.com

Contact

For questions regarding content:

Dr. Andreas Mangel (Operations Director), Phone +49 (0)6221/84 44 41,
E-Mail: mangel@concept-heidelberg.de.

Dr Robert Eicher (Operations Director), Phone +49 (0)6221/84 44 12,
E-Mail: eicher@concept-heidelberg.de.

For questions regarding the organisation:

Ronny Strohwalde (Organisation Manager), Phone +49 (0) 6221/84 44 51,
E-Mail: strohwalde@concept-heidelberg.de.

Detlef Benesch (Organisation Manager), Phone +49 (0)6221/84 44 45,
E-Mail: benesch@concept-heidelberg.de.

Please note

Exhibition Visit: The exhibition will also be open to visitors on both days who are not attending the Congress. Please be aware, though, that you will need to register in advance of the free of charge visit. The visit of the exhibition does not entitle you to also attend any of the conferences.

Congress Materials: Please note that there will not be any print-outs at the Congress. Instead you will receive all presentations prior to the Congress as Downloads.

Room Reservations: There will be no room reservations via Concept Heidelberg. Please book your hotel room directly with the reservation form which you will receive together with your confirmation/invoice! Charges are payable after receipt of the invoice.

Speakers

Here is an excerpt from the list of our speakers (constantly updated):

Bianca Bohrer

CEO, PSM

Guido Bänder

BPE Senior Manager, Boehringer Ingelheim microParts

Dr Michael Eakins

Eakins & Associates, USP Expert Committee Member

Rudolf Markus Fink

Head of Unit Qualification Cell Culture, Boehringer Ingelheim

Alfred Gilgen

Computer Systems Validation Specialist, CSL Behring Switzerland

Volker Glück

Senior Project Manager, Boehringer Ingelheim

Lena Hartling

Roche Diagnostics

Marko Hahn

Technical Project Lead, Roche Diagnostics

Dr Charles Heise

Senior Staff Scientist BioProcess Strategy & Development, Fujifilm

Dr Philip Hörsch

Director QA - Validation/Risk Management/Trending, Vetter Pharma-Fertigung

Christoph Holzmann

Commissioning and Qualification Expert, MSD AH Danube Biotech

John Honey

Head of Site Engineering, Roche Penzberg

Lars Hovmand-Lyster

Senior Engineering Specialist, Novo Nordisk

Matthias Klein

Director Aseptic Filling, CSL Behring

Benjamin Ledermann

Expert Freeze Drying Technology, GEA

Dr Daniel Minör

Senior Manager Production, IDT Biologika

Maria Jasmin Müller

Expert room decontamination, IDT Biologika

Dr Daniel Müller

Head of GMP Inspectorate, Local Authority of Baden Württemberg

Steffen Mörlner

Project Excellence Lead, CSL Behring

Björn Niemczak

Site Head, Merz Pharma

Franck Pavan

Director, GTP Nano

Balasubramanian Ramaiah

Senior Manager Quality / Responsible Person, Accord Healthcare

Ute Schleyer

Project Manager Pharmaceutical Technology, Vetter Pharma-Fertigung

Dr Martin Schwab

Site Manager, Vetter Development Services Austria

Frank Streil

Director Technical and Scientific Affairs, TEVA

Dr Frank Thielmann

Head Lean - Global Operational Excellence, Takeda

Steliyan Tinkov

Senior Quality Assurance Specialist, Lonza AG

Dr Andreas Weber

Vice President CID Commercial Interface & Development - Technical Services, Evonik

Dr Markus Weigandt

Head Pharmaceutical Technologies, Merck Healthcare

Facility & Technology Projects | 31 May – 1 June

The focus of this conference is on innovative investment projects and their GMP-compliant, technical realisation.

State-of-the-art greenfield, brownfield and pharmaceutical technology projects will be presented by the “pharmaceutical user” under the motto "Users report for users".

Compliance with GMP requirements is mandatory in these projects, although those are usually described in little detail in guidelines from authorities. Benchmarking with other companies in the pharmaceutical industry is all the more important here in order to derive the current state of the art.

Among others, the following projects will be presented:

- Merck's new modular GMP plant for clinical DP manufacturing
- Boehringer Ingelheim: How to spend 700Mio€? – The Large Scale Cell Culture (LSC) program
- Novo Nordisk: Closed Systems in CNC Ballroom, A Risk Based Approach
- CSL Behring – Challenges due to limited space in the existing building during construction phase
- Roche: CAPEX Project Delivery for What Patients Need Now
- Vetter Pharma: Integration of an existing pharmaceutical manufacturing site into Vetter's development services
- IDT Biologika: Design & Implementation of a new flexible (modular) vaccine production facility
- Boehringer Ingelheim: New Solid Launch Facility for Containment
- Fujifilm: Multifunctional Single-Use Purification System for connected and integrated Continuous Processing

GMP Compliance Trends | 31 May – 1 June

This conference will present and discuss current and upcoming GMP requirements from regulatory guidelines that impact pharmaceutical engineering and technologies.

Speakers are representatives of the authorities or come from pharmaceutical companies. Upcoming changes or the technical implementation of current regulations already in force are discussed. An important aspect is also how GMP compliance can be maintained in times of a pandemic.

Among others, the following projects will be presented:

- Update on USP's Bioreactivity, Extractables & Leachables and Glass Containers Packaging Chapters
- Vetter Pharma: Ensuring Data Integrity in the Daily Practice of Pharmaceutical Manufacturing
- Experience from COVID-19-pandemic - a GMMP-inspectorate's view
- Accord Healthcare : GMP compliance Trends during COVID-19 outbreak – A pharmaceutical user's view
- Local GMP Authority of BW, Germany: Update Annex 1
- BIPSO: Quality Assurance for Contrast Media – Parametric Release & New Annex 1
- MSD: From Risk Analyses to Traceability Matrix 4.0
- Novartis: Current status of online testing of the microbiological quality of pharmaceutical water

Aseptic Technology | 31 May

GMP regulations only define general requirements for equipment – it has to be suitable for the intended work process, easy to clean and without any negative influence on the product quality. Questions like how these general requirements have to be fulfilled concretely in sterile manufacture, which points call for special attention and which new technologies will be used in the future are in this conference's focus. Speakers from the pharmaceutical industry and from planning and engineering companies deal with pivotal developments in the field of sterile manufacture.

Among others, the following projects will be presented:

- Vetter Pharma Fertigung: A new industry standard for automated fill & finish of small batches
- Roche Diagnostics: Smart Robotic Solutions for Pharma Applications
- IDT: Bio-decontamination of 1,500 m² pharma production using one fully automated decontamination system
- GEA: Novel ways of rapid freeze drying
- GTP-Bioways: Use and design of disposable filling isolator technology
- PSM: Future robotics in aseptic fill& finish – View of a CDMO
- Roche Diagnostics: STISO® with DECOpulse® – 3x validated Sterility Test Isolators for Roche Microbiology

Image: Boehringer Ingelheim microParts

Cost Efficiency | 1 June

One part of this conference aims at showing best-practice examples on how to implement Operational Excellence in the pharmaceutical industry. This is not only business but also quality driven. Examples of major pharmaceutical companies will be shown and discussed. Another topic regarding efficiency is the implementation of Industry 4.0 – or even Pharma 4.0? This means the growing number of digitalization and networking projects that can be seen in pharmaceutical industry. An important question is, how the data obtained can or should be used regarding product quality. Data integrity is still a hot topic, combining GMP compliance and data management.

Among others, the following projects will be presented:

- Lonza: Current manufacturing compliance & efficiency trends and their implementation
- Boehringer Ingelheim microParts: Step by step to more efficiency - from company objectives to process improvement
- Modernization & Digitalization at TEVA Operations
- Takeda: Process Mapping to identify automation opportunities in pharmaceutical manufacturing
- CSL Behring: Automatic Processing of Reports from Environmental Monitoring Systems
- Evonik: Harmonisation of Industry 4.0 interfaces

Registration Options

Attending Conferences – One Day Tickets for € 690,- plus VAT (Early Bird discount until 31 January, 2022: One Day Tickets for € 590,- instead of € 690,- plus VAT)

(Includes participation in any conference on that day and the visit of the exhibition, and, in addition, lunch and beverages during the conferences and in breaks as well as the social event on the evening of the first congress day, 31 May; Please mark if you would like to attend the Social Event.)

With a one day ticket you can attend any conference offered that day. To be able to prepare the conference rooms, though, we would appreciate it if you marked the conference you are interested in addition to marking the day you plan on attending the Congress. Please mark only one conference per day.

Day 1 (31 May 2022): I would like to attend the Congress on day 1. I'm primarily interested in the conference:

- Facility & Technology Projects
- GMP Compliance Trends
- Aseptic Technology

- I would also like to take part in the Social Event on the evening of 31 May 2022.

Day 2 (1 June 2022): I would like to attend the Congress on day 2. I'm primarily interested in the conference:

- Facility & Technology Projects
- GMP Compliance Trends
- Cost Efficiency

- I want to pay by credit card.

PLEASE NOTE:

- Please note that there will not be any print-outs at the Congress. You will receive all presentations prior to the Congress as Download.
- There will be no room reservations via Concept Heidelberg. Please book your hotel room directly with the reservation form which you will receive together with your confirmation/invoice! Charges are payable after receipt of the invoice.

If the bill-to-address deviates from the specifications on the right, please fill out here:

General terms and conditions

If you cannot attend the conference you have two options:

1. We are happy to welcome a substitute colleague at any time.
2. If you have to cancel entirely we must charge the following processing fees: Cancellation

- until 2 weeks prior to the conference 10 %
- until 1 weeks prior to the conference 50 %
- within 1 week prior to the conference 100 %.

CONCEPT HEIDELBERG reserves the right to change the materials, instructors, or speakers without notice or to cancel an event. If the event must be cancelled, registrants will be notified as soon as possible and will receive

a full refund of fees paid. CONCEPT HEIDELBERG will not be responsible for discount airfare penalties or other costs incurred due to a cancellation.

Terms of payment: Payable without deductions within 10 days after receipt of invoice.

Important: This is a binding registration and above fees are due in case of cancellation or non-appearance. If you cannot take part, you have to inform us in writing. The cancellation fee will then be calculated according to the point of time at which we receive your message. In case you do not appear at the event without having informed us, you will have to pay the full registration fee, even if you have not made the payment yet. Only after we have received your payment, you are entitled to

participate in the conference (receipt of payment will not be confirmed)!

Privacy Policy: By registering for this event, I accept the processing of my Personal Data. CONCEPT HEIDELBERG will use my data for the processing of this order, for which I hereby declare to agree that my personal data is stored and processed. CONCEPT HEIDELBERG will only send me information in relation with this order or similar ones. My personal data will not be disclosed to third parties (see also the privacy policy at http://www.gmp-compliance.org/eca_privacy.html). I note that I can ask for the modification, correction or deletion of my data at any time via the contact form on this website.
