CALL FOR ENTRY - POSTER SESSION INVITATION

Undergraduate students, graduate students and post docs doing research in biopharmaceutical development of proteins, monoclonal antibodies and allied fields are encouraged and invited to present their work in a poster session at the ECA's Bio Production Forum 2011 taking place in Ulm, Germany, from 8-10 June 2011. This is a great opportunity to interact with and introduce your work to representatives from universities, industry and government.

The Forum is an annual event which is supported by the Ludwig Maximilians University, Munich, the Swiss Federal Institute of Technology, Zürich, the University of Leiden, the Swiss Academy of Pharmaceutical Sciences, the Swiss Society of Pharmaceutical Sciences as well as by Cilag, Schaffhausen, Merck Serono and Boehringer Ingelheim. A scientific advisory board with Prof. Winter, LMU Munich, Wim Jiskoot, University Leiden, Christian Schröter, Merck Darmstadt and Matej Janovjak, formerly with Cilag supported the scientific content.

One of the conference's goals is to bring together academia and industry.

Abstract Submission Deadline: 30 April 2011

Poster Sessions: Wednesday, 8 June 2011, 10.00 h to Friday, 10 June 2011, 13.00 h

Why present a Poster?

- Recognition for work done
- Chance to present your work to academia, industry and government representatives

- Chance to give a short presentation about your poster's content during the conference
- Reduced conference fee (450.- €) that includes participation in the complete conference, in the site visit at Boehringer Ingelheim, Biberach and the social event
- Two year ECA membership without fees

When preparing your abstract, please comply with the following guidelines:

- Project must be related to biopharmaceutical research / development
- Abstracts should not exceed 500 words
- Save the abstract as a PDF and use the format "surname-first name" as the file name
- Send the abstract to schroeder@concept-heidelberg.de
- Provide abstract by 30 April – any abstracts sent after the deadline will be not accepted

Poster Requirements

- Poster should have a maximum size of 118 cm wide by 148 cm high
- Content: Title, author, institution, main body of poster describing work and results
- The presenting author's name should be underlined
- Poster author must be present during the poster session to describe her/his poster and work.

Poster Set-Up

- Set-up for posters will begin on 7 June 2011 at 5.00 pm

If the bill-to-address deviates from the specification to the right, please fill out here:
