Background

Self Inspections are not only mandatory (EU-GMP Guidelines Chapter 9), the results and observations from self inspections also provide evidence of the effectiveness of the existing quality assurance systems. Self Inspection is a tool to assess and continuously improve the suitability and condition of systems, processes, equipment and premises. But Self Inspections have their own character and require special planning, implementation and follow-up.

Educational Objectives

This webinar will give you important information on the following topics:

- Regulatory requirements
- Aim and purpose
- Department-, site- and corporate-wide inspections
- Requirements and success factors
- Methods
- Planning and preparation
- What should be taken into account during the inspection?
- Evaluation and reporting
- Follow-up measures

Target Audience

This webinar is aimed at auditors and managers from the pharmaceutical and API industry who plan, carry out and support self-inspections.

Speaker

Timur Güvercinci
Merck Healthcare KGaA

Timur Güvercinci is Head of QA Chemical Pharmaceutical Development at Merck Healthcare KGaA in Darmstadt, Germany. He also works as a freelance GMP consultant and speaker.

By mail, fax, e-mail or online on the Internet at <https://www.gmp-compliance.org/>. In order to avoid misunderstandings, please indicate the exact address and the full name of the participant. You will receive your access data by e-mail in due time prior to the event.

Technical Requirements

For our webinars, we use Cisco WebEx, one of the leading suppliers of online meetings. At <http://www.webex.com/test-meeting.html> you can check if your system meets the necessary requirements for the participation at a WebEx meeting and at the same time install the necessary plug-in. Please just enter your name and email address for the test. If the installation is not possible because of your rights for the computer system, please contact your IT department. WebEx is a standard nowadays and the necessary installation is fast and easy.

Presentation/Certificate

The presentation will be made available to you prior to the Webinar as a PDF file. After the Webinar, we will automatically send you a certificate of participation.
