Webinar GDP Update

Background

A lot has happened since the introduction of the revised EU-GDP guidelines. The expectations of the authorities have become clearer, experience has been gained and there is much support from associations such as the European GDP Association. In order to get an overview, this webinar was developed.

Educational Objectives

The aim of this webinar is to give participants a comprehensive yet compact overview of current developments in GMP:
- News from the world of GDP (regulatory)
- Interesting cases (e.g. delivery problems, thefts) - and what can be learnt from them?
- Brexit: Influence on distribution
- News from the European GDP Association
- Outlook

Target Audience

This Webinar addresses itself to all, which are involved in the distribution of pharmaceuticals. Those are e.g. co-workers and high-level personnel from the following industries:
- Pharmaceutical manufacturers (e.g. logistics and QA),
- Drug wholesalers,
- Logistics companies,
- External warehouses
- further service providers offering services for the distribution of pharmaceuticals
